

GEO SDG 2023 Awards

NOMINATION FORM

Please complete each section with the required information to submit a nomination for an award. For questions about this form, please contact: awards@eo4sdg.org. Fields marked by a * are required.

Deadline for nominations is COB Sunday, July 2, 2023. Thank you!

1. Is this a self-nomination, or are you submitting an application on behalf of another organization/initiative?*
2. Organization* (lead organization for the endeavor)
3. Project Location(s)* (include city, state, country)
4. Point of Contact 1* (name, title, email address)
5. Point of Contact 2 (name, title, email address)
6. Point of Contact 3 (name, title, email address)
7. Project/Activity Title* Be sure to include: a) Project title b) Project start date and “public launch” date c) Project website (if applicable)

<p>8. Sectoral Category to which the organization belongs* (select from list). See https://eo4sdg.org/awards/judging/ for a description of each category.</p> <ul style="list-style-type: none"> • GEO Member Country • GEO Participating Organization • GEO Work Programme Activity • GEO Associate • SDG Custodian Agency • Academia • Inter-governmental • Commercial Sector • Civil Society (includes NGOs)
<p>9. Sustainable Development Goal(s) addressed by the project* (select from list)</p> <ul style="list-style-type: none"> • SDG 1, No Poverty • SDG 2, Zero Hunger • SDG 3, Good Health and Well-Being • SDG 4, Quality Education • SDG 5, Gender Equality • SDG 6, Clean Water and Sanitation • SDG 7, Affordable and Clean Energy • SDG 8, Decent Work and Economic Growth • SDG 9, Industry, Innovation and Infrastructure • SDG 10, Reduced Inequalities • SDG 11, Sustainable Cities and Communities • SDG 12, Responsible Consumption and Production • SDG 13, Climate Action • SDG 14, Life Below Water • SDG 15, Life on Land • SDG 16, Peace, Justice and Strong Institutions • SDG 17, Partnerships for the Goals
<p>10. SDG Targets and/or Indicators addressed by the project*</p> <p>Example: Indicator 14.1.1, Index of coastal eutrophication and floating plastic debris density.</p>

11. List the types of Earth observations used* (e.g., ground-based or in-water, airborne platforms, or model outputs)
12. Primary Earth Observation Use* Example: Satellite-based assessments of ocean color are used to measure chlorophyll-a deviations and anomalies as a proxy for eutrophication. (e.g., what is being measured, and for what purpose)
13. Secondary Use, if applicable Example: Retrieve river discharge and land use changes to assess sources of coastal eutrophication.
14. Summary Description of the project* (~50 words)

15. Describe the complete endeavor*

Please ensure you address the following: description of method(s), decision support tool(s) or process(es) to integrate Earth observations in a country's or stakeholder's processes to meet an SDG target or report on an indicator (~1,000 words)

16. Provide specific examples of how the organization used Earth observations for one or more specific SDG indicators/targets*

17. Describe the outcome and tangible impact(s)*

(e.g., describe why others should take notice and might want to replicate this activity, what were the benefits and to whom, what did the organization learn?)

18. Communication of Results*

Submit examples and references as available (e.g., social media campaigns/handles, mobile apps/ sites, newsletters, blog posts, videos, podcasts, events) (links, screenshots, and attachments are welcome).

19. Testimonials*

We *strongly* encourage you to include quotes from beneficiaries that highlight derived impacts of the activity, and any available references. Testimonials can come from beneficiaries and end-users directly involved – e.g., people who can directly comment on the use Earth observations; people in charge of country’s activities/process to report on SDGs and can comment on use of EO in the activity/process, and processes to manage SDG targets and/or report on indicators using Earth observations. Third party testimonials or reference letters from other awards are not as compelling.
